## TELEGRAPHIC NEWS

## New Mines.

Bozeman, Mont., 6.—There is a stampede for the new mines at the late Crow reservation.

## Indian Prisoners.

Washington, 6.—The commissioner of Indian affairs has ordered Agent Tiffany, at San Carlos Agency, to hold for trial those Indian prisoners turned over to him, recently by the military against whom there is not positive evidence of guilt and to release the remainder. These Indians were engaged in Council massacre.

## Dr. Lamson.

London, 6.—The father of Dr. Lamson has written a long letter, maintaining that the question of his son's insanity is not a new one, nor was it first raised after the trial, nor in America. Through promptings from England, the case, he says, was greatly prejudiced by Dr. Lamson's acts, showing as they did severe monetary pressure. He expresses regret that the plea of insanity was put aside by the managers of the defense.

## Oregon Democrats.

San Francisco, 7.—The Oregon democratic convention adopted resolutions demanding legislation for the regulation of railroads, tariff reform, attributing the assassination of Garfield to the republican spoils system, denouncing polygamy, favoring a repeal of the navigation laws, demanding that the congressional delegation do its utmost to secure an appropriation for Oregon river and harbor improvement, and denouncing the President for vetoing the Chinese bill. The ticket was completed as follows: Secretary of state, J. K. Weatherford; treasurer, H. A. Haines; superintendent of instruction, W. H. Worthington; state printer, William Cornell; supreme judge, Edward Shattuck.

## The Elections Bill.

Washington, 6.—The presidential count bill which passed the Senate without amendment, provides that the presidential electors for each state shall meet and give their votes on the second Monday of January next following their appointment, at such places as the legislature of the state may direct; that each state, pursuant to its laws existing on the day fixed for the appointment of electors, may determine, prior to the meeting of the electors, any controversy concerning the appointment of all or any of them; that such determination shall be conclusive evidence of their lawful title, and shall govern in the count by Congress; that no electoral vote or votes from a state from which but one return has been received, shall be rejected except by the affirmative votes of the two houses; that if more than one return is received from a state, the votes of those electors appointed by the lawful tribunal of the state shall be counted, and in the event of a question as to which of the two or more such state tribunals is lawful, the electors appointed by that tribunal which the two houses acting separately shall decide to be the authorized one, shall be counted; that in case of an undetermined contest between two or more sets of electors of a state, those votes shall be counted which the two houses, acting separately, shall decide to be the lawful electoral vote. The bill also provides that if the counting of the votes shall not be completed before the fifth calendar day next after the first joint meeting of the two houses, no recess shall be afterward taken by either house until the counting is finished.

## Criminal Calendar.

New York, 6.—Theodore Gebhardt, drunk, quarreled with his wife, and ordered his 9 year old son out for beer. The wife refused to permit the boy to go when the father brandished the boy with a hammer, and then cut his own throat.

Chicago, 6.—Thomas Franklin, a resident of San Francisco, was held in \$1,000 bond to the criminal court, for stealing a horse and buggy.

Reading, Pa., 7.—The accounts of Adam M. Dundore ex-courty treasurer, was short about \$30,000. His bondsmen will pay the loss.

Pittsburg, 7.—This morning Joseph Hess, a aged man, a season keeper of Alleghany, deliberately shot his wife dead, and then ineffectually attempted to suicide. He refuses to assign any cause. His daughter says it was jealousy.

Pueblo, Col., 7.—Friends of the men lynched here recently on suspicion of stealing cattle, will sue the county for \$50,000 damages, on the ground that while they were in the hands of responsible officials they were permitted to be taken away and killed. Abie counsel is retained.

LaSalle, Ill., 7.—Newport Campbell, an insane man who shot James R. Gott, of Boston, seriously, was found dead in the ditch yesterday evening, having drowned in eighteen inches of water.

Harrison, Ill., 7.—Frederick Maikles, of Pittsburg, was robbed on the railroad of a satchel, on Wednesday night, containing \$100,000 in mining stocks, by a blind man called Davis, who got off the train here. Davis was arrested yesterday in the Harrison House, with the securities in a basket. He, with a boy, was engaged in burning them in a stove. He had destroyed \$10,000 in this way.
